## DISTRICT No. 5

Is united with district No. 7 in the town of New Durham.

## DISTRICT No. 6

Is united with district No. 2 in the town of Wakefield.

## DISTRICT No. 7.

There are no scholars in this district.

## DISTRICT No. 8

Is united with district No. 12 in the town of Wakefield. Whole number of scholars in the schools during the year 68, average attendance, 64.

Whole amount appropriated for schooling \$387.75 of this amount \$14.06 has been paid to other towns, \$62.66 remains unexpended.

Inasmuch as there appears to be no use for the money in No. 2 and 7 I am of the opinion that the town should be redistricted at an early date.

In relation to text books I have had no occasion to make any change.

I am pleased to note the fact, that the Registers contain the names of an unusual number of visitors, this seems to indicate an increasing interest in the welfare of our schools.

In my opinion most of the school money has been judiciously expended. I am satisfied that the improvement has been all that could have been reasonably expected.
